The Gregory Snyder Coda scholarship is awarded to a Lakota West senior who is a Symphonic Winds and Marching Firebirds member. This person is committed to continuing to play his/her instrument in a college-sanctioned ensemble or marching band; he/she may or may not plan to be a music major. Throughout high school, this individual increasingly displayed the characteristics of a good leader. In addition, he/she is a loving, joyful person, who is patient and has gained the respect of fellow band members. This person is kind and faithful to the band program and directors. The use of the word Coda in the scholarship name refers to Mr. Snyder's endearing use of the phrase, "We never miss the coda because we go to La-kota (coda) every day."

Lyrics to the Lakota West Alma Mater

For Friends that we made and the mem'ries we share,

We honor Lakota West;

Our heritage from which tradition is made is always to be
among the best.

Tho' time and change can mem'ry fade,

We'll always remember you, West;
Lakota is unity, friends, brotherhood,
We Honor Lakota West!
