

# Charms Music Office 2019-20

The Charms Music Office Assistant is an online system used to manage all student and financial information for the Lakota West band program. **Is it imperative that every active band member set up and maintain their account.** If you need password/log-in information, send an email to your band director with student and parent names, address, phone number and band instrument (you will then be contacted to verify your identity).

**For Parents or students – use this link below to log in:**

The logo consists of the word "CHARMS" in a stylized, handwritten font, centered within a light gray rectangular box.

**For the handout from Mr. Carr:**

***Charms offers several valuable features for students and their parents:***

**Handouts.** View and print marching band music, warmup music, Charms user manuals, and other important information.

**Student Info.** Review and update your student and parent contact information. Charms lets us have a single database of student information used in all aspects of our program (director communications, uniform assignment, mailings, etc.) So, please make sure we have your correct information!
