

# Tumbler Fundraiser for BOA Trip to Toledo

The Lakota West Marching Firebirds have kicked off their Tumbler fundraiser to help pay for their Toledo trip. In just 45 minutes the kids raised \$10,120 profit! That's a great start and about half way to our goal. The sale is still going so please spread the word! If each student sells 6 more tumblers we'll hit our goal! Order forms and money are due on August 9, 2017. If you'd prefer to order online you can purchase tumblers or anything else from our online store.

Note – the custom West design is not available from the online store, only on a student's order form. Students get credit for all online sales! Thank you for your support!
