

# Pit Crew

Our bands, especially the Marching Firebirds, travel with much equipment – everything from platforms to props, large frontline instruments such as marimbas, sousaphones and much more.

The Pit Crew ensures that all the equipment is there when it's needed, and stowed properly afterwards – this for rehearsals, pre-game and halftime shows, parades, marching band competitions and other special events.

In helping our bands succeed, the Pit Crew often have an front-row seat, so to speak, to many performances. And, best of all, they maintain a tradition of great fellowship and food in tandem with their volunteer work.
