Customers must put their student's name in parenthesis after their first name when ordering to ensure that their order gets credited to the student for prize determination.

Orders can ship directly to you or to our Consultant for delivery to practice (date to be determined).

Our Thirty-One Consultant, [Susan C. Ferencak](#), will have a table set up at the Tailgate on 8/11/17 to take orders and answer any questions you might have.

This is a super easy, low effort (on our part) way to raise

funds for our awesome kids. Please take a look at the catalog, think about any gift-giving events you have coming up (birthdays, new babies, adoptions, weddings, Christmas, etc) and shop for a good cause.

Question – Can I share this information with my mom, sister, aunt, BFF, neighbor? ABSOLUTELY!
