Come Prepared:

- Arrive at your assigned time.
 - Exceptions: Leadership Team members arrive 15 minutes prior to their sections' assigned times to help their sections move through the fitting process.
- Parents, if you come, please wait outside. The band room gets crowded quickly, and a crowd slows down the fitting process.
- Wear athletic shorts and a short-sleeved t-shirt to the fitting. There are not private fitting rooms for changing, and you'll be trying on uniforms over your clothes.

- Items for purchase include:
 - Drillmaster marching band shoes (\$34)
 - If you did not order Drillmasters during Band Camp Sizing Day, you will incur an additional shipping charge of \$20 for an order separate from the Sizing Day Group Order.
 - Black and White Glove Pairs (\$5/pair)
 - Summer Uniform Shorts (\$14) and Polos (\$13)
 - Berets for Sousaphone Players (\$26)
 - Drum Major Gloves (\$3/pair) and Polos (\$29)

- Unless rookies have hand-me-downs from an older sibling in excellent shape, they should plan to purchase shoes, gloves, and summer uniform shorts and polo. Veteran band members should plan to purchase replacement shoes, gloves, and/or summer uniform items that no longer fit or are in good shape. Veteran band members who need a different size summer uniform polo, and have one that is still in good shape may check the trade- in box to swap their current size for a new size.

- You may pay by cash or check the night of your fitting. You may also pay via PayPal through the Charms link on LakotaWestBands.org prior to arriving for your uniform fitting, and you must bring a printout of your receipt with you to uniform fitting.
