

How about those Marching Firebirds on Saturday! Great way to start the season!

I wanted to send you all a quick update on the payment for the overnight trip to the Bands of America Indy Regional Oct 19-20. If you check your HAC account you will see that the initial payment of \$200/student has been posted to your account. The remaining balance will be posting soon. At this point the travel company is finalizing a few things for our trip. Though still subject to adjustment, the estimated cost per student is:

Quad room: \$355

Triple room: \$386

Dbl room: \$450

Tentative agenda for the trip was sent out by Mr. Carr back on July 21st. As we get closer, more information regarding the trip will be passed along.

Thanks,  
Candi
