Reach out Lakota Fundraiser

We could not be more proud of this student-led donation drive for our community! Our band students, alumni, and community all contributed over 2500 items to be donated through [Reach Out Lakota](#)! These students banded together in the best way possible! They used their passion, their drive, and their determination to reach and even exceed a goal! Don't be surprised if this becomes an annual event to help our community!
