### All-State Band Audition Information

In a normal year, the all state application is submitted by the student via [the OMEA website](#). All-State ensembles are a wonderful joy for the students, and a great experience for everyone involved. Deadline for submission is the end of May.

Unfortunately, the OMEA conference has been cancelled for 2021 due to COVID-19. Information regarding the 2022 audition dates will be posted when it is announced.
