“a band parent’s best friend”

Introduction

You are a member of the Lakota West High School Marching Firebirds. We have had an outstanding tradition of excellence for 17 years. We plan to be even more successful in our 18th season and will be working toward this goal all season.

It takes a strong commitment from all members to maintain this status. A big responsibility rests upon your shoulders; it takes the hard work and dedication of every single member to continue this standard of excellence. Prepare yourself, both mentally and physically, for hours of hard work and good clean fun. The memories of the years that you are a member of the Lakota West Band will last you a lifetime.

This handbook explains the policies and programs of the Lakota West Marching Firebirds. You will benefit from understanding the entire organization and your role in it. The Band family consists of roughly 280 students with diverse personalities and talents. The large number of students involved sometimes makes communication difficult. This handbook provides important information to help you understand how the band functions. Please read this with your parents. If you have questions, ask your Section Leader, Field Commanders, Directors, or parent volunteers. Both student and parent signatures are required on the contract at the back of this handbook.

Band Guidelines

1. Proper and good sportsmanship is expected at all times.
2. A good rule to remember: To be early is to be on time; to be on time is to be late; to be late is to miss the bus.
3. Listen to your Field Commanders and Section Leaders. Remember, we are only as strong as our weakest link.
4. Attendance is vital to our success. Attendance is required at all practices and performances – **no exceptions**. The complete attendance policy is explained further in this handbook.
5. Memorization of your drill, music or routine is important to our success.
 - Instrumentalists: You must memorize and pass your music off to the Section Leaders. Dates for this will be announced.
 - Color Guard: Know your choreography and all flags and weapons work.
6. Adhere to all the school rules as stated in the LWHS handbook for all band activities.
7. Public displays of affection will not be tolerated at any time, but especially in uniform.
8. Cell phones must not be carried on your person while you are in uniform (i.e., lock them in your instrument locker, car, etc.). Band directors will confiscate phones from violators.
9. Keep your instruments and equipment in good condition:
 - Instrumentalists: Have your instrument in proper working order. Never be without reeds, oil, grease, etc.
 - Color Guard: Take proper care of flags, rifles, etc.
10. Take care of school-owned instruments and equipment. Damage due to horseplay, lack of proper care, or neglect will be your responsibility. Normal repairs will be handled through the school.
11. Be prepared at all times. Always take your charts, music or supplies out to every rehearsal. There will be random checks to make sure you are prepared.
12. Report no earlier than 45 minutes to your assigned time for any rehearsal or performance. When you arrive, be sure to stay in the band room area only.
13. Respect the band room; no food or drink in the band room.

Student Leadership

The success of the marching band is dependent on Student Leadership. The bigger the band, the more people are needed to take the lead and make sure things are the best they can be. The following is a list of positions within the band and their roles.

Field Commanders

Students selected to be Field Commanders become role models for all other members to follow. Field Commanders set high personal standards and are to be respected by their peers.

Section Leaders/Leadership Team

The directors choose Section Leaders and other Leadership Team members based on their excellent musicianship, leadership, and communication skills. They are an important part of the band's success and work to make their section fit the framework of the entire band.

Seniors

Seniors assume responsibility as part of the leadership team on the field during practice. They make it possible for everyone to learn the drill more effectively.

Musicians

Instrumentalists choose to dedicate their time and energy to music. Band members work to make the entire unit a success and help others make their best contributions. They work to maintain a tradition of pride, effort, enthusiasm and excellence.

Color Guard

The Color Guard uses flags, rifles, and sabers to complete a visually impactful show. The Color Guard's choreography is the "icing" of the show. Members of the Color Guard must audition for positions.

Unlike the band, the Color Guard must purchase their own uniform, including shoes. Prices for the uniform will vary. Members are also responsible for their own performance makeup and hairstyle. The Color Guard Director will determine makeup colors and hairstyle.

Attendance

Good attendance is vital to the entire band success. Every single person is important, and the entire band suffers when even one person is not there. In situations where an alternate needs to be chosen, attendance is the first criteria evaluated.

Tardiness

We understand that you will be involved in clubs, plays, and other school commitments. You must understand that these activities are **not excused**. However, if you get a Marching Band Pass signed, your tardy with a pass will be considered over someone

without a pass. In the beginning of the season, your Section Leader will take down the list of clubs you are planning to join. Anytime you have a meeting, you must get a pass from your Section Leader and have the advisor of the club sign it. The same procedure will follow when you are making up a test after school, although these should be made up on Mondays and Fridays if possible. If you leave early from a practice, it will be counted as a tardy. You need a note signed by your parents to leave a practice early.

Absences

The following is a list of excused and unexcused absences for the entire season. If you are absent you must have a note signed by a parent by THE NEXT PRACTICE.

- Unexcused:
 - Doctor's appointment
 - Work
 - Attended school, but not Marching Band practice
 - Driving school
 - Social events of any kind
- Excused (with a note):
 - Sick from school (excused absence from school)
 - Car Teens (state mandated)

** ALL tardies and absences are subject to individual consideration by the Director, Field Commanders, and Section Leaders.

Discipline

In order to maintain discipline in the Lakota West Marching Band, you must exhibit the following qualities at all times:

- Common sense
- Self-respect
- Respect for others
- Respect for authority

If someone becomes a discipline problem, he or she will be removed. Alternates are chosen on discipline as well. Individual problems will be dealt with at the discretion of the Directors and Section Leaders.

Alternates

Since the number of members that perform the competition show is predetermined, a few members will be alternates, i.e., students who do not march in the show. Being an alternate is not necessarily a punishment because the drill is written for a certain number. In some sections, alternates must be chosen. Certain factors are considered when deciding who is not to march in a performance:

- Attendance
- Memorization of music
- Adherence to rules
- Attitude
- Knowledge of drill

Wearing the Uniform

You must be in full uniform for band performances unless otherwise instructed. This will allow you to feel proud and to make a good impression when you are out in the public eye. Moreover, the band is judged and scored on appearance in all competitions. Each marcher must wear the uniform correctly. Inspection will take place before every performance. Section Leaders will inspect their sections and Field Commanders will inspect Section Leaders.

1. Clean gloves, polished shoes, a shiny instrument and well-maintained equipment are all very important.
2. Your shako must be worn on the top of your head, slightly forward, so the bill is just above the eyebrows and there's a two finger space between it and the nose and the strap is firmly fastened under the chin. Percussion wears the strap on the chin but not in the mouth. Sousa players wear berets.
3. All hair must be securely inside the hat or short enough that it does not touch the collar of the jacket. Elastic bands, clips, hairnets, or skullcaps are suggested. This is YOUR responsibility. The Uniform Committee has emergency hair supplies only. If you aren't sure about your hair, ask BEFORE the first performance. No facial hair, make-up, or jewelry is permitted. All earrings and other piercings must be removed or covered.
4. You must wear a black t-shirt with sleeves under your jacket (no sleeveless tanks). A design is permissible if it is not visible under the uniform with arms raised. UnderArmor is also permitted for colder performances.
5. Shorts or boxers must be worn under the uniforms – there are no dressing rooms – everyone changes together. Black tights, leggings, or thermals are permitted for colder performances.
6. Pants are worn above the waist so the top of the pants is covered by the jacket. Hems MUST NOT drag on the ground. Use the suspenders to pull the pants up, if needed, to keep hems off the ground. Tell a uniform mom IMMEDIATELY if your hem needs adjustment.
7. Plain black crew socks are required for all performances. "Shortie" socks are not acceptable—nor are socks with any other color than black or socks that fall down to show skin. Socks are not supplied by the uniform committee. Bring your own. All band members must wear Drill Master marching shoes.
8. Students (except percussion) wear black and white gloves which are ordered during uniform fitting. Additional pairs may be purchased from the Uniform Committee during the season. Clarinets may cut the finger tips out of their gloves. No other holes are permitted.
9. It is the student's responsibility to properly hang the uniform on the racks after performances following the direction of the uniform committee. It is also their responsibility to dry out the shako (hat), parka, and gloves after performances if needed. Failure to do so could result in Uniform Detention or paying to replace damaged uniform parts.

In the Stands

The band is a vital part of school spirit at football games. Watch the game and your directors because things happen quickly. Be prepared to play "Fight On" after each touchdown.

Rules while in the stands:

- Play your instrument only when the entire band plays.
- The bandstand is for band members only. Do not invite your friends to sit with you in the stand or enter the end zone area at any time.
- Refreshment break comes in the third quarter. Be good hosts to the guest band – allow them to get refreshments first.
- At the end of third quarter, you should be in your seat ready to play. If one person is late, the whole band sits the next game.
- Take care of your instrument to prevent damage.
- Make a good impression. Remember, you are wearing the Lakota West uniform, which stands for your school and community.
- You must have ALL of your music in your own personal flip folder with you at each game. Detentions will be given if you do not have a flip folder.

Bus Trips

At the beginning of the season you will sign a bus list. This will be your traveling assignment for the year. While on the bus the chaperone is in direct charge. You must observe all rules in order to assure a safe trip. These rules include:

- Keep the bus clean; pick up and properly dispose of all trash.
- Maintain silence at railroad crossings
- Use moderation in talking and singing.
- Hands and arms must remain inside the bus at all times.
- Thank and listen to your bus drivers and chaperones.
- Stay seated while the bus is moving.
- Do not board or load equipment on the bus until asked to do so.
- Stay on the bus until asked to unload.
- Leave windows up when leaving away football games unless told otherwise.
- You must travel on the bus to all engagements.
- You may go home with your parents providing your parent/guardian have given written permission to Mr. Snyder and your bus chaperone and speaks to your chaperone at the event.
- Band members must not play instruments near unloading area.

Private Lessons

When it comes to playing your instrument to the best of your ability, there is no substitute for study with a competent teacher. The directors will be able to supply you with a list of qualified teachers. It is a proven fact that students studying privately achieve a higher degree of proficiency on their instruments. Individuals benefit personally from private lessons and their increased proficiency makes a positive contribution to the entire music program. Visit www.lakotawestbands.org/contacts/private-lessons/ for a list of private lesson instructors.

Facilities

The band room is your second home; treat it accordingly. Keep it neat and in order at all times. Do your share to pick up paper, reeds, and other misplaced articles, returning them to their proper place. Have enough pride in the Lakota West Bands to assist with the overall maintenance of the band facilities.

Your school supplies should be kept in a locker and not on the shelves in the band room. Do not walk on the carpet with muddy shoes. NO food or drink is permitted in the band room at any time. The music stands should not be folded down in desk fashion to write. Pay attention to all space the band uses and keep it clean and in good order.

Upbeat Club

The Upbeat Club is the parent support group for the bands. We could not survive without their support. The various committee members and officers spend countless hours working to insure the band's success. Never take them for granted and thank them often for their assistance.

We encourage band and guard parents to get active in the Upbeat Club and attend our monthly meetings (the third Tuesday of each month at 7:30 p.m. in the band room). There are so many different talents needed in this organization, and so many ways – large and small – that you can contribute. Don't be shy! Come and observe a couple of times, and before you know it, you'll be full-fledged member of the family.

Parents can volunteer for activities by completing the form included in this handbook or by contacting one of the officers or committee chairpersons. Contact information for the Lakota West Upbeat Club is included on our web site at www.lakotawestbands.org.

Uniforms

Some parts of the Marching Band Uniform are owned by the school (e.g., jacket, pants, shako and shako box, plume, gauntlets and parka); some parts must be purchased through the Upbeat Uniform Committee by each student (e.g., Drill Master marching shoes, black and white gloves, berets for sousaphone players and Color Guard uniforms) and some parts must be supplied by each student (e.g., black socks, shorts and black t-shirt). Our school uniforms are very expensive; you must give them the very best care at all times.

Shoes will be sized during fitting days, but will only be ordered and delivered after payment has been received. Prices: shoes (\$34), gloves (\$5/pair), berets (\$26). You may pay via PayPal on our website www.lakotawestbands.org or by mailing a check made out to "Lakota West Upbeat Club" to Lakota West Upbeat Club, P.O. Box 1637, West Chester, OH 45071. There will also be someone accepting checks on fitting days. Do not bring cash.

The parka and shako will be sent home with the student and are the student's responsibility until they are turned in at the end of the season. Students need to bring their parkas and their shakos to every event. The uniforms do not go home with the student, but are kept in the band room. Your uniform must be hung properly each night. Each uniform has a number, and each student is responsible for remembering their uniform number. You must sign the Uniform Contract provided at the end of this Handbook. Your uniform is your responsibility!!

The instrumentalists' uniforms will be cleaned by the Uniform Committee whenever needed; if a uniform requires extra cleaning or repair, the student will be charged. Color Guard's uniform cleaning is the responsibility of the Color Guard members.

The Uniform Committee (uniform moms) work hard to make sure the Lakota West Marching Firebirds look their best at all performances, and we expect the students to do their best to take care of their uniforms and make sure they have everything they need when they arrive at a band event. We are also here to help the students. If you have a problem with your uniform, or have any questions, please contact Cindy Schubart (caschubart@hotmail.com) or just ask any of the uniform moms – we will be happy to help you.

The band will have an official summer uniform, khaki shorts (\$22) and red polo shirt (\$14) with optional khaki belt (\$4). The cost of the summer uniform is not included in the marching band fee, and will be the property of the band student for future seasons. These will be fit on fitting days. Color guard wears black shorts with the summer uniform, available through guard.

Should a student experience an injury or illness that requires immediate attention, the student will be transported to an urgent care center or emergency room. Costs of emergency transportation and medical care are the responsibility of the parent/guardian.

Should a student require non-emergency medical attention for injury or illness, the student's parent/guardian will be notified to take the student from the band activity for appropriate attention. If parents are not available, the adult designated on the Medical form will be called to transport student. In order for the student to return to the band activity he/she must be physically able to participate.

Substance Abuse Policy

First Offense: Possession and/or Use

1. Student will be suspended from all band practices up to five continuous practice days and the next 30% of regularly scheduled performances.
2. If the substance abuse violation occurs during the academic school year, Lakota Board Policy 6201 for Rule 9 will apply.
3. Positions of leadership (i.e. field commanders, sections leaders) are forfeited.
4. If the first offense occurs after the end of the student's marching band season, but prior to awards program, the student will be denied participation in the awards program. The student will receive his/her awards only upon successful completion of the reinstatement process.
5. Financial responsibility of the professional assessment and counseling sessions lies with the parents of the student.
6. To be eligible for reinstatement in the marching band program the following requirements must be met:
 - A. The student must submit to a professional drug/alcohol assessment. Proof of assessment completion must be provided to the building principal or designee. The professional assessment agency must be accredited and acceptable to the school district.
 - B. If the assessment indicates treatment procedures, the student must follow the prescribed program to be eligible for reinstatement.
 - C. For all substance abuse policy violations, the final phase of reinstatement will require a hearing with the student and his/her parent/s before an appeals board. Parent/s must accompany the student.
 - D. It is the student's responsibility to schedule the appeal hearing with the building principal.
 - 1) The appeals board will consist of the building principal or designee (asst. principal), marching band director, a member of guidance department and/or district substance abuse coordinator.
 - 2) Upon hearing the appeal made by the student and his/her parent/s, the appeals board will make a recommendation to the principal as to whether reinstatement to the program is justified.
 - 3) If the student is reinstated, he/she must re-sign the substance abuse pledge form. If reinstatement appeal is refused, the student will be denied participation until the following marching band season.
7. The student's grade may be affected because of missed rehearsals and performances.

3. It is the student's responsibility to communicate with the building principal or designee all aspects related to the completion of the reinstatement criteria.
4. If the second offense occurs after the end of the marching band season but prior to the awards program, the student will be denied participation in the awards program and will not receive any awards.
