Customers must put their student's name in the "Address 2" section of the address when ordering to ensure that their order gets credited to the student for prize determination.

The image shows a screenshot of an online order form. It is divided into two main sections: "Who is this order for?" on the left and "What type of order is this?" on the right. The left section contains input fields for First Name*, Last Name*, Email, Phone, Address 1 (with a placeholder "Street Address, No PO Boxes"), Address 2 (with a placeholder "Student Name"), Zip, City, and State. There is also a checkbox for "Use Consultant Email Address" with a red question mark icon. The right section contains two dropdown menus: the first is set to "Party Order (\$200 min)" and the second is set to "Lakota West - Senior ...". Below the Zip field, there is a "Tax Rate" of 0.000 %.

Orders can ship directly to you or to our Consultant for delivery to practice.

This is a super easy, low effort (on our part) way to raise funds for our awesome kids. Please take a look at the catalog, think about any gift-giving events you have coming up (birthdays, new babies, adoptions, weddings, Christmas, etc) and shop for a good cause.

Question – Can I share this information with my mom, sister, aunt, BFF, neighbor?

ABSOLUTELY!!! The more orders we collect, the more money we make!!!
