The School Forms for Marching Band will be done through Final Forms, same as athletics. This should make everything easier for our parents. Less paperwork is always a good thing!

The files and handouts section of Charms is where you will find your show music. The Drum Majors and I are hard at work getting high quality scans uploaded for all of the music that you will need throughout the season. Check back here for all documents/ music that you need. The Marching Band 2015 tab will house the current show, pre-game, and stand tunes. It will also include drill coordinates once we have those written.

Throughout the year we will continue to utilize the abilities of the CHARMS music system to make your life and the directors as easy as possible. We will be using it to do instrument inventory, email, and the band boosters use it for collection of fees for uniform parts. Check back often to see the information update, as well as on our website lakotawestbands.org. Thanks and looking forward to a great year! - Mr. Carr
