Introduction

You are a member of the Lakota West High School Marching Firebirds. We have had an outstanding tradition of excellence for many years. We plan to continue that tradition and will be working toward this goal all season.

It takes a strong commitment from all members to maintain this status. A big responsibility rests upon your shoulders; it takes the hard work and dedication of every single member to continue this standard of excellence. Prepare yourself, both mentally and physically, for hours of hard work and good clean fun. The memories of the years that you are a member of the Lakota West Band will last you a lifetime.

This handbook explains the policies and programs of the Lakota West Marching Firebirds. You will benefit from understanding the entire organization and your role in it. The Band family consists of more than 200 students with diverse personalities and talents. The large number of students involved sometimes makes communication difficult. This handbook provides important information to help you understand how the band functions. Please read this with your parents. If you have questions, ask your Section Leader, Field Commanders, Directors, or parent volunteers.

Band Guidelines

1. Proper and good sportsmanship is expected at all times.
2. A good rule to remember: To be early is to be on time; to be on time is to be late; to be late is to miss the bus.
3. Listen to your Field Commanders and Section Leaders. Remember, we are only as strong as our weakest link.
4. Attendance is vital to our success. Attendance is required at all practices and performances – **no exceptions**. The complete attendance policy is explained further in this handbook.
5. Memorization of your drill, music or routine is important to our success.
 - Instrumentalists: You must memorize and pass your music off to the Section Leaders. Dates for this will be announced.
 - Color Guard: Know your choreography and all flags and weapons work.
6. Public displays of affection will not be tolerated at any time, but especially in uniform.
7. Cell phones must not be carried on your person while you are at practice on the field. Band directors will confiscate phones from violators.
8. Keep your instruments and equipment in good condition:
 - Instrumentalists: Have your instrument in proper working order. Never be without reeds, oil, grease, etc.
 - Color Guard: Take proper care of flags, rifles, etc.
9. Take care of school-owned instruments and equipment. Damage due to horseplay, lack of proper care, or neglect will be your responsibility. Normal repairs will be handled through the school.
10. Be prepared at all times. Always take your charts, music or supplies out to every rehearsal. There will be random checks to make sure you are prepared.
11. Report no earlier than 45 minutes to your assigned time for any rehearsal or performance. When you arrive, be sure to stay in the band room area only.
12. Respect the band room; no food or drink in the band room.

Student Leadership

The success of the marching band is dependent on Student Leadership. The bigger the band, the more people are needed to take the lead and make sure things are the best they can be. The following is a list of positions within the band and their roles.

Field Commanders

Students selected to be Field Commanders become role models for all other members to follow. Field Commanders set high personal standards and are to be respected by their peers.

Section Leaders/Leadership Team

The directors have chosen Section Leaders and other Leadership Team members based on their excellent musicianship, leadership, and communication skills. They are an important part of the band's success and work to make their section fit the framework of the entire band.

Seniors

Seniors assume responsibility as part of the leadership team on the field during practice. They make it possible for everyone to learn the drill more effectively.

Musicians

Instrumentalists choose to dedicate their time and energy to music. Band members work to make the entire unit a success and help others make their best contributions. They work to maintain a tradition of pride, effort, enthusiasm and excellence.

Color Guard

The Color Guard uses flags, rifles, and sabers to complete a visually impactful show. The Color Guard's choreography is the "icing" of the show. Members of the Color Guard must audition for positions.

Color Guard members are provided a uniform but must purchase their own shoes. Members are also responsible for their own performance makeup and hairstyle. The Color Guard Director will determine makeup colors and hairstyle.

Conduct and Attendance Policy

Code of Conduct

High standards of conduct and citizenship are essential. The welfare of the student is our primary consideration. All band members are expected to abide by the Lakota Board Approved Student Code of Conduct as published on Lakota's website. Please take a moment to review the Board Approved [Lakota Local Schools Student Code of Conduct](#).

Attendance and Absences

Good attendance is vital to the entire band success. Every single person is important, and the entire band suffers when even one person is not there. In situations where an Alternate needs to be chosen, attendance is the first criteria evaluated.

The following is a list of excused and unexcused absences for the entire season. If you are absent you must have a note signed by a parent by THE NEXT PRACTICE.

Unexcused:

Doctor's appointment

Work

Attended school, but not Marching Band practice

Driving school

Social events of any kind

Excused (with a note):

Sick from school (excused absence from school)

Tardiness

We understand that you will be involved in clubs, plays, and other school commitments. You must understand that these activities are not excused. However, if you get a Marching Band Pass signed, your tardy with a pass will be considered over someone without a pass. In the beginning of the season, your Section Leader will take down the list of clubs you are planning to join. Anytime you have a meeting, you must get a pass from your Section Leader and have the advisor of the club sign it. The same procedure will follow when you are making up a test after school. If you leave early from a practice, it will be counted as a tardy. You need a note signed by your parents to leave a practice early.

**** ALL tardies and absences are subject to individual consideration by the Director, Field Commanders, and Section Leaders.**

Discipline

In order to maintain discipline in the Lakota West Marching Band, you must exhibit the following qualities at all times:

Common sense, Self-respect, Respect for others, Respect for authority

If someone becomes a discipline problem, he or she will be removed. Alternates are chosen on discipline as well. Individual problems will be dealt with at the discretion of the Directors and Section Leaders.

Alternates

Since the number of members that perform the competition show is predetermined, a few members will be alternates, i.e., students who do not march in the show. Being an alternate is not necessarily a punishment because the drill is written for a certain number. In some sections, alternates must be chosen. Certain factors are considered when deciding who is not to march in a performance:

- Attendance
- Memorization of music
- Adherence to rules
- Attitude
- Knowledge of drill

In the Stands

The band is a vital part of school spirit at football games. Watch the game and your directors because things happen quickly. Be prepared to play “Fight On” after each touchdown.

Rules while in the stands:

- Play your instrument only when the entire band plays.
- The bandstand is for band members only. Do not invite your friends to sit with you in the stand or enter the end zone area at any time.
- Refreshment break comes in the third quarter. Be good hosts to the guest band – allow them to get refreshments first.
- At the end of third quarter, you should be in your seat ready to play. If one person is late, the entire band will have to stay in the band stands at the next game and will not be able to leave during the third quarter. Don't be late!
- Take care of your instrument to prevent damage.
- Make a good impression. Remember, you are wearing the Lakota West uniform, which stands for your school and community.
- You must have ALL of your music in your own personal flip folder with you at each game. Discipline will be considered if you do not have a flip folder.

Travel Policy

At the beginning of the season or during pre-camp, you will sign-up onto a bus list. This will be your traveling assignment for the year. While on the bus the chaperone is in direct charge. You must observe all rules in order to assure a safe trip. These rules include:

- Keep the bus clean; Pick up and properly dispose of all trash.
- Maintain silence at railroad crossings.
- Use moderation in talking and singing.
- Hands and arms must remain inside the bus at all times.
- Thank and listen to your bus drivers and chaperones.
- Stay seated while the bus is moving.
- Band members must not play instruments near unloading area.
- Do not board or load equipment on the bus until asked to do so.
- Stay on the bus until asked to unload.
- Leave windows up when leaving performance locations unless told otherwise.
- You must travel on the bus to all engagements.
- You may go home with your parents provided your parent/guardian has given written permission to one of the directors and your bus chaperone. Parents must pick you up at your bus after the event and sign you out. You must make arrangements for another student to take your uniform back on the bus and hang it up appropriately.

Private Lessons

When it comes to playing your instrument to the best of your ability, there is no substitute for study with a competent teacher. It is a proven fact that students studying privately achieve a higher degree of proficiency on their instruments. Individuals benefit personally from private lessons and their increased proficiency makes a positive contribution to the entire music program. [Visit our website here](#) for an extensive list of private lesson instructors.

Facilities

The band room is your second home. Treat it accordingly. Keep it neat and in order at all times. Do your share to pick up paper, reeds, and other misplaced articles, returning them to their proper place. Have enough pride in the Lakota West Bands to assist with the overall maintenance of the band facilities.

Your school supplies should be kept in a locker and not on the shelves in the band room. Do not walk on the carpet with muddy shoes. NO food or drink is permitted in the band room at any time. The music stands should not be folded down in desk fashion to write. Pay attention to all space the band uses and keep it clean and in good order.

Parking Lot Safety

Due to the size of the band and large number of parent drivers, we need to pay special attention to the parking situation at both practice locations. Best advice – park in designated parking spots only.

At **West Main Campus** before and after events and rehearsals: please only park in designated parking spots.

Do NOT park along the curb when picking up, or near where our trucks need to park. This is both the area near the school and near the field. Please park and walk to the school to retrieve your student or let them know where you are parked. Our trucks need to get in and out easily to load and unload, and the front ensemble is bringing a large number of instruments to and from the stadium. It has created a dangerous area for students due to all the cars parked and pulling out from no-parking areas.

At the **Freshman Building** before and after rehearsals: Do NOT park too close to the field, or to the band trucks. Not only is unloading and loading of instruments take place in the area surrounding the trucks, they also need to maneuver the trucks in and out as needed. Students are driving and parking in the area, and we want to always park in designated spots whenever possible, which is safest for all. You will see parents creating a center line of parked cars on the west side of the building for pickup – this is fine.

Upbeat Club and Band Fees

The Upbeat Club is the parent support group for the bands. We could not survive without their support. The various committee members and officers spend countless hours working to ensure the band's success. Never take them for granted and please thank them often for their assistance.

We encourage band and guard parents to get active in the Upbeat Club. There are so many different talents needed in this organization, and so many ways – large and small – that you can contribute. Don't be shy! Come and observe a couple of times, and before you know it, you'll be an active part of the band family too. **Parents can volunteer for activities** by contacting one of the officers or committee chairpersons. Contact information for the Lakota West Upbeat Club is included on our website – [click here](#). We also post all the current volunteer needs on the Parent Volunteer Opportunities page – [click here for link](#).

Our meetings are the third Thursday of every month except June, July and December. They are held at the Freshman School from August through October, then at the main campus for the remainder of the year. The meetings are tentatively scheduled for 6:30pm for 2020-21. We welcome all parents of band students and color guard members in grades 7 – 12.

Note: Student Marching Band fees are paid directly to the school through EZpay or by check to Lakota West High School at the LWHS bursar's office. Trip fees are normally paid to the tour company. Marching Band fees and trip fees are NOT paid to the Lakota West Upbeat Club.

Videos

IMPORTANT

Taking videos of rehearsals or football game performances are fine, but sharing them is not. Please do not upload any videos to a public site. It is copyright infringement to do so and could get the band, school or you in legal trouble. The Director will share a private link on occasion of performances that you may share privately. Please also share these important rules with anyone you share it with. Many if not most competitions do NOT allow for photos or videos to be taken of performances. Please also adhere to the rules at each competition.

Marching Band Uniform Information

Some parts of the Marching Band Uniform are owned by the school (vest, red long sleeve shirt, pants, shako, shako wrap, shako box, plume, and parka). Others must be purchased through the Upbeat Uniform Committee by each student and are the students' to keep (Drill Master marching shoes, show shirt, gloves, and berets for sousaphone players). Still others must be supplied by each student (lyre/flip folder, black long socks, shorts or sweats/leggings, and black t-shirt/long sleeved shirt).

Our marching band uniforms are very expensive; it is the student's responsibility to take good care of their uniform while it is in their possession. The parka, shako, and shako box will be sent home with the student and are the student's responsibility until they are turned in at the end of the season. A band duffle bag known as the "Red Bag" will be supplied for the storage of uniform items. Students need to bring their shako, shako box, parka, and gloves, as well as their socks, t-shirt, and shorts to every performance. The vest, pants, shirt, and plume/shako wrap portion of the uniform will remain in the band room while not in use.

Each uniform has an assigned number, and each student is responsible for remembering their uniform number. Uniforms must be hung properly in the band room following each performance. Uniforms will be cleaned by the Uniform Committee whenever needed; if a uniform requires extra cleaning or repair, the student will be charged a cleaning fee. Uniform clothing that is lost or damaged by a student will incur fees which are assessed by the district through the EZpay system. Shoes will be sized during fitting days, but will only be ordered and delivered after payment has been received.

The band has an official summer uniform of black shorts and a red polo shirt. The cost of the summer uniform is not included in the marching band fee, and will be the property of the band student for future seasons. These items will also be fitted on fitting days. Rookies will need to purchase a red polo, black shorts, Drillmaster shoes, a show shirt, and two pairs of gloves. Veterans should check their uniform items before fitting day to see if they need to purchase replacements, they will need to purchase a show shirt each year.

Uniform Pricing for Fitting Day:

Drillmaster shoes	\$34	
Red Polo	\$13	
Black Shorts	\$14	
Marching Gloves	\$3/pair / Field Commander Gloves	\$4/pair
Field Commander Polo	\$29	
Sousaphone Berets	\$26	
Show Shirt	TBD (\$45 in 2019 marching season)	

Estimated Uniform replacement Cost:

Vest	\$250
Long Sleeved Shirt	\$80
Pants	\$85
Shako	\$65 / Shako Wrap \$40 / Shako Box \$15
Plume	\$30

Purchase Process

Students need to bring a check made out to Lakota West Upbeat Club or cash to pay for their uniform items on fitting day. Items not paid for will not be issued until payment is received. You may pay ahead of fitting day via PayPal on our website or by mailing a check made out to "Lakota West Upbeat Club" to Lakota West Upbeat Club, P.O. Box 1637, West Chester, OH 45071. If payment is made via PayPal, bring the receipt to fitting day as proof of payment.

Wearing Your Uniform

You must be in full uniform for band performances unless otherwise instructed. This will allow you to feel proud and to make a good impression when you are out in the public eye. Moreover, the band is judged and scored on appearance in all competitions. Each marcher must wear the uniform correctly. Inspection will take place before every performance. Section Leaders will inspect their sections and Field Commanders will inspect Section Leaders.

- Clean gloves, polished shoes, a shiny instrument and well maintained equipment are all very important.
- Shako must be worn on the top of your head, slightly forward, so the bill is just above the eyebrows and there's a two finger space between it and the nose, with the strap firmly fastened under the chin. Percussion wear the strap on the chin but not in the mouth. Sousa players wear berets.
- All hair must be securely inside the hat or short enough that it does not touch the collar of the jacket. Elastic bands, clips, hairnets, or skullcaps are suggested. This is YOUR responsibility. The Uniform Committee has emergency hair supplies only. If you aren't sure about your hair, ask BEFORE the first performance. No facial hair, make-up, or jewelry is permitted. All earrings and other piercings must be removed or covered. Flesh-toned gauges are permitted; all others must be covered.
- A black t-shirt with sleeves must be worn under the uniform shirt (no sleeveless tanks). A design is permissible if it is not visible under the uniform. Thermal shirts (for example, Under Armor) are also permitted for colder performances.
- Athletic shorts must be worn under the uniforms as there are no dressing rooms and everyone changes together. Black tights, leggings, or thermals are permitted for colder performances.
- Pant length is adjustable with snaps and will be adjusted by uniform moms on fitting day. Pant hems MUST NOT drag on the ground. Use the suspenders to pull the pants up, if needed, to keep hems off the ground. Tell a uniform mom IMMEDIATELY if your hem needs adjustment or comes undone.
- Plain black crew socks are required for all performances. "Shortie" socks are not acceptable - nor are socks with any other color than black or socks that fall down to show skin. Socks are not supplied by the uniform committee, but must be brought by the students. All band members must wear Drill Master marching shoes.
- Students (except percussion) wear gloves for all rehearsals and performances which are ordered during uniform fitting. Additional pairs may be purchased from the Uniform Committee at any time during the season. Clarinets may cut the finger tips out of their gloves. No other holes are permitted.
- It is the student's responsibility to properly hang the uniform in the correct spot on the racks after performances following the direction of the uniform committee. It is also their responsibility to dry out the shako (hat), parka, and gloves after performances if needed. Failure to do so could result in having to pay to replace damaged uniform parts.

The Uniform Committee works hard to make sure the Lakota West Marching Firebirds look their best at all performances, and we expect the students to do their best to take care of their uniforms and make sure they have everything they need when they arrive at a band event. If there are any questions or concerns regarding Marching Band uniforms, contact Amy Koenes at uniforms@lakotawestbands.com.

Performance Day Expectations

- Arrive EARLY. Students must be completely dressed and in place at the report time.
- Uniform racks will be available 45 minutes before report time. Uniform moms will be available to sell gloves or cover the occasional forgotten items.
- The uniform calls for no visible jewelry.
- No facial hair, starting at Final Friday Performance of band camp.

Uniform Fitting Days - Lakota West Main Band Room

Students will be measured prior to fitting days and assigned a uniform. Fitting Days will take place in the evening during Pre-Band Camp Week, and assigned section times will be communicated. On Fitting Day, marchers will try on their assigned uniform to verify and adjust fit. They will receive their red duffle bag, shako, shako box, parka, and they will also be measured for shoes and gloves. Summer uniforms will also be fitted and purchased. You are required to pay for shoes, show shirt, summer uniform and gloves on or before your fitting day. Come only on your section's scheduled day/time. Please contact Amy Koenes to make arrangements for make-up times.

Students –You will be trying on your uniform, shako, and parka, as well as trying on and ordering summer uniform, shoes and gloves (bring payment!).

Leadership Team – Please arrive 15 minutes before your section's appointed time and be prepared to stay with your section to help them with their uniforms. If you are unable to fulfill this duty, designate someone to do it in your place.

Rookies will be given a red bag and will be able to take home their purchased summer uniform. Shoes will be delivered at a later date.

First Aid and Medication Policy and Procedures

The Lakota West Upbeat Club utilizes volunteers to provide first aid for minor injuries (e.g., sprains, blisters) during band activities.

Should a student require non-emergency medical attention for injury or illness, the student's parent/guardian will be notified to take the student from the band activity for appropriate attention. If parents are not available, the adult designated on the Medical form will be contacted. In order for the student to return to the band activity he/she must be physically able to participate.

At least one volunteer at the medical tent will be CPR/First Aid certified.

Students are not permitted to carry medications. The first aid tent is not able to administer medications to students. Parents will be called and asked to deliver and dispense medications to their student.

Should a student experience an injury or illness that requires immediate attention, the student will be transported to an urgent care center or emergency room.

Final Forms

The Marching Band will be using the district's sport/athletics process which is called Final Forms. Instructions for completing Final Forms are included on the following two pages.

Please note: Final Forms was designed for athletics so a few 'work arounds' may be necessary where sport/athlete specific information is requested. Final Forms will also indicate that you are required to have a physical exam on file. However, you will NOT need a physical for marching band. Acknowledge and submit your signature.

By accepting the forms on Final Forms you are also agreeing that you have read and understand the information and policies described in this handbook.

Final Forms MUST be completed ASAP.
