

Lakota West Upbeat Meeting

January 16, 2025, 6:30 p.m.

Informational Meeting:

- Director's Report – Andy Carr Thanks for coming out tonight and all of the support as always. We had the swing dance before break which was a lot of fun. Thanks to Mr. T for all of the work and all of the people who came to do set up and make things run. We're now hitting the ground running. Solo and Ensemble are working in their groups. They played for each other today and have a few more days to practice that. Schedules are almost set. Times are next Tues/Wed. Tuesday is percussion and brass. Wed is woodwinds. When we did OMEA kids would practice, play and leave. Doing it here the kids play for each other. They get to hear each other and get an audience for themselves. They get a recording of their performance and notes. This helps them grow as musicians, going through this process. That's been nice, we have judges coming in for that. This weekend is district honor band. We have over 80 kids involved. It will be a fun weekend for them. There are 3 bands. Winds I, Winds II and Freshman band. There are some great conductors working with the kids. Winds Symp I has about 105 kids. John Seton is teaching Winds Symp II. He's with an amazing school in Las Vegas. He is originally from the Dayton area. Great musician. Winds Symp I conductor is Richard Saucedo. He is in charge of all of the bands of America things. The kids know him because he writes a lot of music. He's also an incredible musician. They're going to have a great time. Tomorrow Winds symphonies start at 4 freshman at 6, Saturday is all day and then concerts start at 2 on Sunday. Concerts are free and open. The schedule for solo and ensemble performances are open to watch for parents as well. You can come to any or all of it. Each group has a 15 minute window. They will play and get some feedback and during the switch it is ok to come and go during this switch. You are welcome to take all of the photos and videos you want during our performances. Come and enjoy but please don't be a distraction.

Next thing coming up is all state at the beginning of Feb 6-8. It will be in Cleveland. Carr will be up there on OMEA business and will see the kids performed. We have 6 students going up for all state. If you 'd like to come and see those concerts you can. You are welcome to go but it is in Cleveland. The ballroom overlooks the Browns stadium if that's your jam. After solo and ensemble is done we will start working on OMEA contest music. We're going to OMEA instead of music for all so that we can take all 5 bands. We're excited to be able to take the Freshman and get them more experience. They will play either Friday night or Saturday morning depending on the band. We'll have info coming out with info for marching band sign ups next week around the same time as try band.

- Asst. Director's Report – Colin Celek – Week of 27th is try band. All 4 West elementary schools that feed to West will get a visit from us and Willis Music. They get a 3D printed mouthpiece that replicates a multitude of instruments. Thursday the 30th there are 2 open houses where they can come and try the instruments and tell their parents what they are thinking and get rental information. That will be a great opportunity. Mr. Carr will be doing all of the high school bands. Mr. Celek will be subbing at the Jr. high schools and going

over scheduling with the 8th graders. Waiting on prices back for travel ideas for next year. We're very excited about try band and Plains has agreed to reschedule their curriculum night to accommodate Try Band.
